

Public Canvas Course Access

Create your Canvas Account

Go to the [Canvas Registration Page](#).

Click "I'm a student."

Copy and paste or type in the code
4WH4CW.

Type your name.

Use the same email as both your username
and your password.

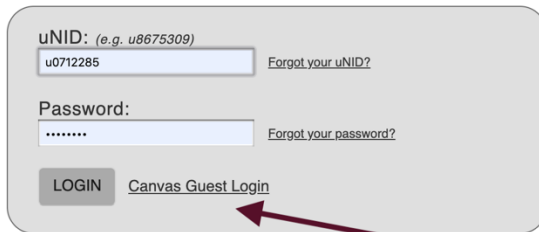

Start learning!

A screenshot of the 'Student Signup' form. The form has a title bar with 'Student Signup' and a close button. It contains several input fields: 'Join Code' with the value '4WH4CW', 'Full Name' with the placeholder 'Your Name', 'Username', 'Password', and 'Confirm Password'. Two red arrows point to the 'Username' and 'Password' fields. At the bottom, there is a checkbox for 'You agree to the terms of use and acknowledge the privacy policy.' and a red 'Start Learning' button.

After you have Accessed the Course

Bookmark your course if you'd like to re-visit it in the future. If you don't finish the course right away, you can log in again with your username and password.

Login

The screenshot shows a login form with the following elements:

- uNID:** (e.g. u8675309) with a text input field containing "u0712285" and a link "Forgot your uNID?".
- Password:** with a text input field containing "....." and a link "Forgot your password?".
- A **LOGIN** button.
- A link for [Canvas Guest Login](#).

A red arrow points from the text to the right towards the "Canvas Guest Login" link.

Caution: Before entering your uNID or password, verify that the address in the URL bar of your browser is directing you to a University of Utah web site.

Important security information: This login uses cookies to provide access to the site you requested and to other protected University of Utah websites. For your security, log out of the services you are using and exit your browser when you have finished your session. Some browsers, including Google Chrome, retain cookie information by default even after you close your browser. Review your browser's support documentation to set your browser to clear cookies automatically upon exit. [Instructions for Google Chrome.](#)
